Name:

Jane Henry

Activity Date:

Dec. 16/04

Details:

Prepared a 30 minute power point presentation for the dept. on the special needs of the geriatric pt. The agenda is as follows:

- Defining the special needs of the Geriatric Patient
- Communication strategies that work
- Positioning tips that will help the M.R.T.(R) produce high quality images on the geriatric patient
- Points that will ensure patient comfort
- Discussion and questions

Hours of Preparation Time: 4.0 hours

Hours of Presentation: .5 hours

How has it helped you on the job? Preparing the presentation was a challenge for me but as a result there has been an improvement of the quality of images on geriatric patients in our dept.
